

Daniel Cirera, Im Givin Up Sex For Surfin

I'm givin' up sex for surfin'
California waves
I'm cool with plastic kisses
And minimum wage
Ho-Hollywood of mean
To be down with the Malibu scene

'Cause I am under the gun
High on Co-co-ca Cola
And wine
Getting fucked by the business
Is this calm and nasty son
'Cause I am under the gun
High on Co-co-ca Cola
And wine
Trading paper for plastic
As I'm doing 9 to 5
'Cause I am under the gun
I am under the gun
I am under the gun
I am under the gun

I'm givin' up sex for surfin'
California waves
I'm cool with plastic titties
And purple haze
Ho-Hollywood of mean
To be down with the Malibu scene

'Cause I am under the gun
High on Co-co-ca Cola
And wine
Getting fucked by the business
Is this calm and nasty son
'Cause I am under the gun
High on Co-co-ca Cola
And wine
Trading paper for plastic
As I'm doing 9 to 5
But I am under the gun
I am under the gun
I am under the gun
I am under the gun

And we lie like we mean it
And we lie like we mean it
And we lie like we mean it
All the time
And we lie like we mean it
And we lie like we mean it
And we lie like we mean it
All the time
'Cause we are under the gun
