

Danii Minogue, Perfection

You're perfection

(All that I Want)

You're perfection

(Won't give you up)

He was standing in the middle,

but thoughts of you remain

Everytime you leave me baby,

I'm taken back again

You show me places that I've never been

You give me love, I give you all I can!

There's no doubt cuz it's in everything that you do

Ref:

You're perfection, you're all that I want

There's a reason I won't give you up

No, I can't lie- boy, you should know

I'm achin' inside

I'm achin' inside

You're perfection, you're all that I want

There's a reason I won't give you up

No, I can't lie- boy, don't you know

I'm achin' inside

I'm achin' inside...for you

No more fears, no more confusion when you're in my life

My mind is under no illusion

Never felt so right

You show me places that I've never been

You give me love, I give you all I can!

You're perfection, you're all that I want

There's a reason I won't give you up

No, I can't lie- boy, you should know

I'm achin' inside

I'm achin' inside

You're perfection, you're all that I want

There's a reason I won't give you up

No, I can't lie- boy, don't you know

I'm achin' inside

I'm achin' inside...for you

Spoken:

Boy you know you're so perfect

How can you be so damn perfect?

Boy you know you're so perfect

How can you be so damn perfect?

Boy, Boy, Boy, Boy, Boy (Perfection!)

You're perfection, you're all that I want

There's a reason I won't give you up

No, I can't lie- boy, you should know

I'm achin' inside

I'm achin' inside

You're perfection, you're all that I want

There's a reason I won't give you up

No, I can't lie- boy, don't you know

I'm achin' inside

I'm achin' inside...for you
