You all in my ear (I hear you talkin' dirty)  
You wanna give me your number

Are you sure that you can handle me?

[Shannon (Dawn)]

So let me put on my boots  
(Do you think that you can rock it?)  
Turn it up, let it loose  
Boy can you get with this minor tease (minor tease)  
Before I bring it to you Menatlly

[Chorus- Group- Dawn Lead Vocals]

All I need is one shot  
And baby your gone  
It'll have you callin' non-stop

Do you really think you can handle me?  
Oh, oh-oh

Ooh (I hope you're ready)  
Tell me (that you're ready)

When I put this (thing in motion)  
Guaranteed that you'll be beggin' for more

(Keep it comin' don't stop)
