

Danity Kane, Ride For You

Lately, I've been tryna fight whatever's pulling us under
it's got a hold and really making me wonder
what it takes to get through
I gotta stick with you, my baby
Baby tell me?

Maybe I'm foolishly overreacting
But being without you I can't imagine
It's just so close to the heart and
And I won't stand it if we're broken apart

[Chorus-group]

Do you hear me?

Baby ya gotta believe in the things that make you & me win together

Don't you throw in the towel

I'm keeping my promise to you I got ya back now

When the chips are down

It seems like it's so hard for you to move ahead

Just know that I am by your side

There aint no ifs, buts, or maybes,

I'm gonna stay down and ride for you baby

[Verse 2- Dawn]

We've been cutting it close with the backwards & forwards

It's rocking the boat; we gotta get control of this

Let's take it back to three years ago

When you said that we could make it through whatever, ever

And to me it sounded like you meant forever, ever

Leaving was not an option, baby, never, never

Now don't you believe in a love that's worth a fight

In you is everything that I'm missing

So give us a chance

[Chorus]

[Verse 3- D. Woods]

Don't you dare tell me we gotta let it go?

We been on top for too long just to let it go under

I don't wanna hear that

I just can't hear that

and know

Wherever you wanna take me

I'll go

I been with you for too long to start over with another

I know that you hear me

Just tell me you hear me

[Chorus w/ Ad-libs (D. Woods)]

[Outro Ad Libs]
