

Danity Kane, Sleep On It (Hidden Track)

(Verse 1- Aundrea)

I might like to get to know you but I can't hear you right now,
you're competing with the music but the music's way too loud

(Aubrey)

Why don't you write down your number and slip it to me,
but you gotta maneuver discreetly,
I don't want my business leaking people like run their mouth.

(Hook- D. Woods + (Group))

I don't need no pressure from you
(I don't need pressure, no pressure no)
And I don't need no lectures from you.
So just give me one night and I'ma

(Chorus- Group)

Sleep On it, sleep on it
And ill get back at ya when I wanna
Sleep on it, Sleep on it
You can keep poppin off if ya wanna
You keep on stressing me
You-you keep on stressing me
Keep on stressin' of you wanna
But I'ma sleep on it, sleep on it
And ill get back at ya when I wanna

(Verse 2- Dawn)

I would've loved to hit the dance floor but its way to crowded right now
Maybe we'll bump into each other in the future if you wanna see me then you'll figure it out

(Shannon)

Me and my girlfriends came to do it
After workin' hard all week
We like to throw our open toes on and get jazzy
Lounge in the party but you're tryna make me speak

(Hook- Wanita + (Group))

I don't need no pressure from you
(I don't need pressure, no pressure no)
And I don't need no lectures from you.
So just give me one night and I'ma

(Chorus- Group)

Sleep On it, sleep on it
And ill get back at ya when I wanna
Sleep on it, Sleep on it
You can keep poppin off if ya wanna
You keep on stressing me
You-you keep on stressing me
Keep on stressin' if you wanna
But I'ma sleep on it, sleep on it
And ill get back at ya when I wanna

(Bridge- Dawn)

Ooh, I aint tryna be rude, but you're the third guy tonight that's come to me like this.
And im tryna be cool, but these dudes keep grabbin me they keep on grabbin me
i aint tryin by conseited see i appreciate the compliments your giving to me and the other night it was

(Chorus- Group)

Sleep On it, sleep on it
And ill get back at ya when I wanna
Sleep on it, Sleep on it
You can keep poppin off if ya wanna
You keep on stressing me

You-you keep on stressing me
Keep on stressin' if you wanna
But I'ma sleep on it, sleep on it
And ill get back at ya when I wanna
