

# Dannii Minogue, Everlasting Night (Original Version)

Oh, tonight, tonight  
Oh, feels so right  
Tonight, tonight, tonight, tonight

Everlasting night, everlasting night  
Everlasting night and it feels so right, baby

Too many days I'm working  
Watching minutes ticking slowly by  
'Till the weekend comes, oh

I can't wait now baby  
For the heat of the day to be carried away  
When the night comes down, oh

Now we're free at last to forget the past  
Now it's time to make it happen  
Just moving to the sound  
Everybody party now

Whoa, everlasting night  
Oh, feels so right  
Gonna make it happen tonight

Everlasting night, everlasting night  
Everlasting night and it feels so right  
Everlasting night, everlasting night  
Everlasting night and it feels so right, baby

Thinking of you baby  
When we danced we held each other tight  
I can't wait to see you again  
Wanna feel you move, wanna make you groove  
Now it's time to get excited  
Just moving to the sound  
Everybody party now

Whoa, everlasting night  
Oh, feels so right  
Gonna make it happen tonight  
Whoa, everlasting night  
Oh, feels so right, baby, baby

Tonight, tonight, tonight, tonight  
Tonight, tonight, tonight, tonight  
Tonight, tonight, tonight, tonight  
Everybody party now

Whoa, everlasting night  
Oh, feels so right  
Gonna make it happen tonight  
Whoa, everlasting night  
Oh, feels so right, baby, baby

Everlasting night, everlasting night  
Everlasting night and it feels so right
