

Dannii Minogue, Jump To The Beat (12")

Let's do it
C'mon
Hype it up

Come on and Jump to the beat (jump)
Come on and dance with me
Come on and Jump to the beat (jump)
Come on and dance with me

Your life's a passing star
The price you paid was dear
You make the most of my life
Yet movements dance with fear
Your speciality's only nights
As you and pride compete
Neglect the pain in your heart
Come on and dance with me

Come on and Jump to the beat (jump)
Come on and dance with me. Yeah
Come on and Jump to the beat (jump)
Come on and dance with me oh

Come on and Jump to the beat (jump)
Come on and dance with me yeah
Come on and Jump to the beat (jump)
Come on and dance with me

You never dance alone
When love steps too near
Communicate with me
Your doubts will disappear
If it's love you're searching for
There's plenty love in me
Embrace the good things in life
Come on and dance with me

Come on and Jump to the beat (jump)
Come on and dance with me yeah
Come on and Jump to the beat (jump) Come on
Come on and dance with me

Everybody here say yeah

Once again this is short and sweet
So check the calorie, jump to the beat
Up two, three, four, encore
Now hit the dance floor
This is how it should be done
As my tongue beats with the drum as one
So what you got to say good lookin'
It's time to get this here jam cookin'
So does you does or does you don't
Want to keep on frontin', 'Cos i won't
If my brothers want to keep on cruisin'
Tell em stop don't jump to conclusions
Pick your spot, give it all you got
And then rock, and send me Forget-Me-Nots
And yo, as i speak, it's time to freak
So yo, hop, skip and jump to the beat

Jump to the Beat
Jump Jump to the beat
C'mon

Come on and Jump to the beat (jump)
Come on and dance with me
Come on and Jump to the beat (jump)
Come on and dance with me yeah

Come on and jump with me
Come on and jump with me
(Come on and jump to the beat)
