

Dannii Minogue, Lucky Star

You must be my lucky star
Cause you shine on me wherever you are
I just think of you and I start to glow
And I need your light and baby you know

Starlight starbright, first star I see tonight
Starlight starbright, make everything alright
Starlight starbright, first star I see tonight
Starlight starbright, yeah

You must be my lucky star
Cause you make the darkness seem so far
And when I'm lost you'll be my guide
I just turn around and you're by my side

Starlight starbright, first star I see tonight
Starlight starbright, make everything alright
Starlight starbright, first star I see tonight
Starlight starbright, yeah

Come on
Shine your heavenly body tonight
Cause I know you're gonna make everything alright
Come on
Shine your heavenly body tonight
Cause I know you're gonna make everything alright

You may be
My lucky star
But I'm the luckiest by far
You may be
My lucky star
But I'm the luckiest by far

Starlight starbright, first star I see tonight
Starlight starbright, make everything alright
Starlight starbright, first star I see tonight
Starlight starbright, yeah

Come on
Shine your heavenly body tonight
Cause I know you're gonna make everything alright
Come on
Shine your heavenly body tonight
Cause I know you're gonna make everything alright

You may be
My lucky star
But I'm the luckiest by far
You may be
My lucky star
But I'm the luckiest by far
You may be (you may be)
My lucky star (my lucky star)
But I'm the luckiest by far (what you do to me baby)
You may be (you know)
My lucky star
But I'm the luckiest by far (but I'm the luckiest by far)

Starlight starbright, first star I see tonight
Starlight starbright, make everything alright
Starlight starbright, first star I see tonight
Starlight starbright

Starlight starbright, you make everything alright
What you do to me baby
You've got to stay by my side tonight

Starlight starbright
Starlight starbright
Starlight starbright
Starlight starbright

Starlight starbright, baby
Starlight starbright
Stay by my side tonight
What you do to me baby
What you do, what you do to me baby
Stay by my side tonight

You may be
My lucky star
