

Dannii Minogue, No Secret

(Boy it's no secret)
(Boy it's no secret)
Ooh, it's no secret
I can tell, I can tell, I can tell, I can tell
I can tell, I can tell
(No secret)

I've been looking at you
So it's no surprise
That you caught my eye
I'm just hoping that you
Will give me a chance
To start this new romance

Can't you tell when you look at me
In your arms is where I want to be
I can tell when I look at you
You're waiting for me to make my move

(Boy it's no secret) I got my eye on you
Got my eye on you
(Boy it's no secret) You feel the same way too
The same way that I do
(Boy it's no secret) What you mean to me
What you mean to me
(Boy it's no secret) Where I want to be

I wanna be with you
I wanna be with you forever
No matter what you do
I know we're gonna be together
(I wanna be with)

Why do you try to hide it
Why do you put on airs
And act like you don't care
Boy don't you try to fight it
'Cause I already know
How it's gonna go
Can't you tell when you look at me
I'm falling down into a love so deep
I can tell when I look at you
You wanna see what I'm gonna do

(Boy it's no secret) I got my eye on you
Got my eye on you
(Boy it's no secret) You feel the same way too
The same way that I do
(Boy it's no secret) What you mean to me
What you mean to me
(Boy it's no secret) Where I want to be

I wanna be with you
I wanna be with you forever
No matter what you do
I know we're gonna be together
(No secret)

You know I wanna
You know you want to
You know I wanna
Ooh it's no secret

(Boy it's no secret) I got my eye on you

Got my eye on you
(Boy it's no secret) You feel the same way too
The same way that I do
(Boy it's no secret) What you mean to me
What you mean to me
(Boy it's no secret) Where I want to be
