

# Dannii Minogue, Show You The Way

Ooh let me show ya  
Let me show you the way to go

I don't know everything  
But there's something I do know  
I've read and heard a lot  
And now we're ready to show

That we can come together  
And think like one  
Come together now  
Live together  
Underneath the sun

Please let me show you

Let me show ya  
Let me show you the way to go  
Follow me my friend, hey yeah  
Let me show ya  
Let me show you the way to go

Just put your trust in me  
I'll try not to let you down  
The job is hard to do  
But only we can wear the crown

'Cos we can help each other to overcome  
We can do it now  
Rejoice everybody  
And get the job done

Please let me show you

Let me show ya  
Let me show you the way to go  
Follow me  
Let me show ya  
Let me show you the way to go  
Hey yeah, Ooh

Never let you down, Oh Oh  
Show you the way

Show you the way to go  
Never let you down  
Show you the way to go  
I promise I will never let you down

We can do it, we can do it  
Hey yeah

I swear, I'll never let you down  
Let me, let me, let me  
Let me, let me, let me  
Let me, let me, let me, let me, let me, let me show you
