

Dannii Minogue, Show You The Way To Go (12")

Ooh let me show ya
Let me show you the way to go

I don't know everything
But there's something I do know
I've read and heard a lot
And now we're ready to show

That we can come together
And think like one
Come together now
Live together
Underneath the sun

Please let me show you

Let me show ya
Let me show you the way to go
Follow me my friend, hey yeah
Let me show ya
Let me show you the way to go

Just put your trust in me
I'll try not to let you down
The job is hard to do
But only we can wear the crown

'Cos we can help each other to overcome
We can do it now
Rejoice everybody
And get the job done

Please let me show you

Let me show ya
Let me show you the way to go
Follow me
Let me show ya
Let me show you the way to go
Hey yeah, Ooh

Never let you down, Oh Oh
Show you the way

Show you the way to go
Never let you down
Show you the way to go
I promise I will never let you down

We can do it, we can do it
Hey yeah

I swear, I'll never let you down
Let me, let me, let me
Let me, let me, let me
Let me, let me, let me, let me, let me, let me show you
