

Danny Saucedo, Amazing

I'm feeling great
I'm feeling awesome
And I can't wait
Gotta get movin'
Shake the stress away
Something is on the edge tonight

It's like a force
Pullin' me in
it's getting stronger from within
Taking me higher
We're comin' alive
Tonight we'll be lighting up the sky

I'm feelin' great
I'm feeling awesome
Let me explain
You are the reason I breathe
You're amazing ,amazing
You're
A, A, A, A-mazing

I'm feelin' great
Right here beside you
That's where I will stay
You are the reason I breathe
You're amazing ,amazing
You're
A, A, A, A-mazing
Thats what you are

Up to the sky
Cut trough the clouds and dive
Back into the night.
Don't be afraid, you just follow the light.
There is no stopin' us tonight

It's like a force
Pullin' me in
it's getting stronger from within
Taking me higher
We're comin' alive
Tonight we'll be lighting up the sky

I'm feelin' great
I'm feeling awesome
Let me explain
You are the reason I breathe
You're amazing ,amazing
You're
A, A, A, A-mazing

Ooooh, Ooooh
You're amazing ,amazing
You're
A, A, A, A-mazing

Ooooh, Ooooh
You're amazing ,amazing
You're
A, A, A, A-mazing

I'm feelin' great
Right here beside you

That's where I will stay
You are the reason I breathe
You're amazing ,amazing
You're
A, A, A, A-mazing
That's what you are
That's what you are
