(Pras) (Dante)

Uh, I mean I'm just sittin right here (California)
Ckeekin out these ladies right here, baby you hot
(This is where he saw her)
I mean you sexy, oh my God,
(I long to love her)
Imagine one question: "Where you from anyway?"

(Dante)

She's Miss California, hottest thing in West L.A.
House down by the water, sails her yacht across the bay
Drives a marinello, hollywoods her favorite scene
Loves to be surrounded with superstars that know her name

She's a rich girl from the top of the food chain
Love and material things, kinda lonely
'Til i met her at the Grammys, ten mil on a diamond ring
She invites me, to spend a day on the jet skies
At first it didn't mean a thing, then she told me
I'm the one that she searched for, it was hard to believe

She's Miss California, hottest thing in West L.A.
House down by the water, sails her yacht across the bay
Drives a marinello, hollywoods her favorite scene
Loves to be surrounded with superstars that know her name

In a couple a days she had me a bracelet made
From Harry Hinstons' place, went horseback
Up to the mountain top, showin me the land she's got
Well it's alright but something else is on your mind
Looking past all that shines, now the tears are running too
All those things are nice but it's not why I'm here
I will wipe away your tears, simply by just loving you.
