

Danzel, Under Arrest

Under arrest, under under arrest, arrest.
Under arrest, under under arrest, arrest.
Under arrest, under under arrest, arrest.
Under arrest, under under arrest, arrest.

I'm on a mission, i'm on patrol,
no time to waste, oh oh oh oh.
I need to get ya, under control,
speed up the pace, oh oh oh oh.
This time it's time to get physical
i'm a cop, i'm a lock you up, like a criminal.
You better run run run, till you can't run no more
till you can't run no more...

You're under arrest, hey hey hey hey
you better confess, hey hey
you're caught in a mess oh baby
hey hey, i'm coming your way,
there's just no escaping me
Cuz baby
you're under arrest, you're under arrest, you're under arrest now
you're under arrest, you're under arrest, you're under arrest, you're going nowhere...

You have the right to remain silent
anything you say, can and will be used against you
in a court of love.

Just like a thief, you steal the show
but i won't let ya, oh oh oh oh
down on your luck, you oughta know
i'm out to get ya, oh oh oh oh.
This time it's time to get physical
i'm a cop, i'm a lock you up, like a criminal.
You better run run run, till you can't run no more
till you can't run no more...

You're under arrest, hey hey hey hey
you better confess, hey hey
you're caught in a mess oh baby
hey hey, i'm coming your way,
there's just no escaping me
Cuz baby
you're under arrest, you're under arrest, you're under arrest now
you're under arrest, you're under arrest, you're under arrest, you're going nowhere...

You're going nowhere

Under arrest, under under arrest, arrest.
Under arrest, under under arrest, arrest.

You're going nowhere x7

You're under arrest, hey hey hey hey
you better confess, hey hey
you're caught in a mess oh baby
hey hey, i'm coming your way,
there's just no escaping me
Cuz baby
you're under arrest, you're under arrest, you're under arrest now
you're under arrest, you're under arrest, you're under arrest, you're going nowhere...
