

# Danzig, Come To Silver (Acoustic)

come to silver  
come to gold  
come to do anything  
sell your body and soul

make you kill a man  
it'll ruin your soul  
come to silver  
come to gold

come to silver  
just as hard as you can  
come to do anything  
for a life of sin

you can have everything  
big house up on a hill  
come to silver  
come to kill

come downhearted  
come to gold  
it'll make you lose your way  
turn your heart so cold

steal the wife of another man  
let money buy her love  
gonna be some hard time  
when you come to gold

if you come to silver  
if you come to gold  
I hope that you're happy  
with the life you've sown

you could'a had everything  
but you didn't want to know  
you had to come to silver  
you had to come to gold
