

# Danzig, Dominion

If the heart is cold  
If there is no light  
I can be the one  
If the heart is cold  
If the blood runs hot  
Let there be an end  
Let there be no one  
Who can the light

Where you go, I won't lead

Cause if the heart is dead,  
I can take your soul  
If you give it free  
and the bondage end  
Cause if your heart is cold,  
Then you belong with me  
Let me be the one  
That will set you free

Where you run  
I won't lead  
See how love Unholy  
Cuts into your mind  
See how love Unholy  
Lies
