Danzig, Five Finger Crawl

You leave me cold You leave me cold

Five fingers crawl Around the room The more you want It seals your doom The more they take Extend your vein Five fingers crawl And ends the game

You leave me cold Couldn't pay the price You leave me cold Cold as the

Some have to have Some like to bleed The more they take The more you need

Some have to have Some like to bleed The more they take The more you need

You leave me cold Couldn't pay the price You leave me cold Cold as the night

You leave me cold You leave me cold
