

# Danzig, Long Way Back From Hell

Yea  
Sold into slavery down in New Orleans  
Goddess  
Of the bayou light  
Black dog's head on the killing bed  
Severed  
And left to bleed  
There on fire  
In the corner of the world  
There in misery  
There on fire  
In the corner of the world  
Left for God to see

Do you want to take a life  
Do you want to cross that line  
'Cause it's a long way back from Hell  
And you don't want to go with me

Yea, poison father of the human race  
God  
Of the tainted blood  
Malevolence  
Sneaking up the spine of the world  
Ready for the bastard son  
There on fire  
In the veins of man  
There in misery  
There on fire  
In the veins of man  
Left for God to see

Do you want to take a life  
Do you want to cross that line  
'Cause it's a long way back from Hell  
And you don't want to go with me

Do you want to take a life  
Do you want to take a life, yea  
Do you want to cross that line, oh  
Do you want to cross that line  
Wanna cross that line

Oh  
Sold into slavery down in New Orleans  
Goddess  
Of the bayou light  
Black dog's head on the killing bed  
Severed  
And left to bleed  
There on fire  
In the corner of the world  
There in misery  
Lucifer's face  
In the mirror when you look  
Left for God to see

Do you want to take a life  
Do you want to cross that line  
'Cause it's a long way back from Hell  
And you don't want to go with me

And it's a long way back from Hell  
And you don't want to go
