

# Danzig, Serpentia

My little girl  
Won't you shed your skin  
Little goddess  
Why don't you slither in

It's a bold new world  
Exploring sin  
It's a bold new thrill  
Why don't you come on in

Seductive snakegirl  
Why don't you shed your skin  
Seductive snakegoddess  
Let the crawling begin

Crawl inside your skin  
Crawl inside your skin

My little snake  
C'mon shed your skin  
Shiny cobra  
Won't you crawl on in
