

Danzig, Unspeakable Shango Mix

don't you ever call upon
things
you shouldn't play w/
don't you ever look upon
things
that might offend you

say what they don't like

don't you ever
no
don't ever call

the unspeakable

say what they don't like

don't you ever question god
or question how to pray
don't you ever question laws
question what they say

say what they don't like
[repeat]
