

# Dapa Deep, Always With You

Always with you  
Always with you

Always with you  
Always with you

Always with you  
I can't help but feel

Always with you  
Always with you

Always with you  
Always with you

Always with you  
Always with you

Always with you  
I can't help but feel

Always with you  
I'll stay I'll leave

Always with you  
Always with you
