Why can see a positive.
It's all because of it.
You know what scares me the most.
I know when it all comes around.
I'm on your waste your time.
I want myself a good boy.

And then I and I feel it low
and I go and just say I
always have feel have control
but I lose it every night.
Yeah It leaves me feeli'n down
cause I know it's out the gale.
When I'm walki'n out the door
I know I know.

Bad bad pattern, good boy.
Bad bad pattern, good boy.
I know It's wrong,
I feel so right.
Bad bad pattern.
Good boy, good boy

always have feel have control
but I lose it every night.
Yeah It leaves me feeli'n down
cause I know it's out the gale.
When I'm walki'n out the door
I know I know.

Bad bad pattern, good boy.
