Daria Malicka, It Must Have Been Love (Przesłuc

Lay a whisper on my pillow leave the winter on the ground I wake up lonely there's air of silence in the bedroom and all around touch me now I close my eyes and dream away

It must have been love but it's over now it must have been good but I lost it somehow It must have been love but it's over now from the moment we touched 'til the time had run out

Make-believing we're together that I'm sheltered by your heart but in and outside I've turned to water like a teardrop in your palm and it's a hard Christmas Day I dream away

It must have been love but it's over now it was all that I wanted now I'm living without It must have been love but it's over now it's where the water flows it's where the wind blows
