Daria Marcinkowska, Lay Me Down

Yes I do, I believe That one day I will be, where I was Right there, right next to you And it's hard, the days just seem so dark The moon, the stars are nothing without you Your touch, your skin, where do I begin? No words can explain, the way I'm missing you Tonight, this emptiness, this hole that I'm inside These tears, they tell their own story

You told me not to cry when you were gone But the feeling's overwhelming, that's much too strong Can I lay by your side, next to you, you And make sure you're alright I'll take care of you, Now don't want to be here if I can't be with you tonight I'm reaching out to you Can you hear my call? This hurt that I've been through I'm missing you, missing you like crazy

You told me not to cry when you were gone But the feeling's overwhelming, it's much too strong Can I lay by your side, next to you, you And make sure you're alright I'll take care of you I don't wanna be here if I can't be with you tonight

Lay me down tonight, lay me by your side Lay me down tonight, lay me by your side Can I lay by your side, next to you, you
