

# Daria Waleriańczyk, Can You Feel It All Over (Sir Duke)

Music is a world within itself  
With a language we all understand  
With an equal opportunity  
For all to sing, dance and clap their hands  
But just because a record has a groove  
Don't make it in the groove  
But you can tell right away at letter A  
When the people start to move

They can feel it all over  
They can feel it all over people  
They can feel it all over  
They can feel it all over people

Music knows it is and always will  
Be one of the things that life just won't quit  
But here are some of music's pioneers  
That time will not allow us to forget  
For there's Basie, Miller, Satchmo  
And the king of all Sir Duke  
And with a voice like Ella's ringing out  
There's no way the band can lose

You can feel it all over  
You can feel it all over people  
You can feel it all over  
You can feel it all over people
