## Dario G, Dream To Me

All my life Is changing every day In every possible way

And all my dreams Is Never quite as it seems Is Never quite as it seems

I know I've felt like this before
But now I'm feeling it even more
Because it came from you
I know I've felt like this before
But now I'm feeling it even more
'Cause you're a dream to me

All my life It's changing every day In every possible way

And all my dreams Is Never quite as it seems Is Never quite as it seems

I know I've felt like this before But now I'm feeling it even more Because it came from you I know I've felt like this before But now I'm feeling it even more 'Cause you're a dream to me
