

# Darius Rucker, History In The Making

Don't move baby don't move  
Ah look at you  
I just want to take this in  
The moonlight dancin' off your skin  
Our Time, Let's take our time  
I just want to look in your eyes and catch my breath  
Cause I got a feeling

This could be one of those memories  
We're gonna hold on too, cling too, the one we can't forget  
Baby this could be our last first kiss, the dawn of forever  
What if this was that moment, that chance worth taking  
History in the making

Inside, baby inside  
Can you feel the butterflies floating all around  
Cause I can show feeling now  
Tonight, maybe tonight  
Is the start of a beautiful ride that will never end  
And baby I've got a feeling

This could be one of those memories  
We're gonna hold on too, cling too, the one we can't forget  
Baby this could be our last first kiss, the dawn of forever  
What if this was that moment, that chance worth taking  
History in the making

Right here, right now, holding you in my arms

This could be one of those memories  
We wanna hold on too, we're gonna cling too, the one that we can't forget  
Baby this could be our last first kiss, the start to forever  
What if this was that moment, that chance worth taking  
History in the making, ah yeah  
History in the making, nah nah  
This is a chance worth taking, ahah
