

Darius, Time Of Your Life

Another turning point, a fork stuck in the road
Time grabs you by the wrist, directs you where to go
So make the best of this test and don't ask why
It's not a question but a lesson learned in time

It's something unpredictable, but in the end it's right
I hope you've had the time of your life

So take the photographs and still frames in your mind
Hanging on to memories and happy times
Thanks for support as I stood on trial
For what it's worth, it was worth all the while

It's something unpredictable, but in the end it's right
I hope you've had the time of your life

La la la la li
La la la la li li

It's something unpredictable, but in the end it's right
I hope you've had the time of your life

It's something unpredictable, but in the end it's right
Thanks to you I've had the time of my life
