Darkest Hour, Another Reason

Keep your eyes on the trigger And your mind on the ecstasy Just caress the emptiness Sit back and let it bleed We need salvation We need another god on the TV screen We need to believe Fill your pockets with other's casualties Just a talk show leaper prophecy Just caress the emptiness Sit back and let it bleed Can you show me happiness? Can you show me the other side of the prison chain? Can you show me primetime addiction? Sadistic delusion Our father, Our sponsor, Our cheap plastic figure Our father, Our sponsor Can you spare one more dollar?
