

Darren Hayes, I Can't Help Falling In Love With

Wise men say
Only fools rush in
But I can't help
Falling in love with you
Shall I stay
Would it be a sin
If I can't help
Falling in love with you
Like a river flows
Surely to the sea
Darling so it goes
Some things
They were meant to be
Go on and take
Go on and take my hand
Take my whole life too
For I can't help
Falling in love with you
No I can't help
Falling in love with you
