

Darren Hayes, Lift Me Up

When I'm down on my luck and im searching for my soul
When I'm feeling too much and I start to lose control
When I'm down so low that even enemies dont wanna know
You still care for me say a prayer for me and I know

Ooo I like you hangin' round
Cause you lift me up when I am upside down
Ooo you are my favourite sound
Cause youre always down for

Lifting me up like an angel when I hit the ground
Feel your arms all around me when im feeling down
Lift me up like an angel when I hit my low
when your arms are around me
I don't wanna let you go

When I'm lost along way and I can't face another day
And if I stumble on the road and if I cant carry the load
And if I lose my faith, and kindness, and generosity
Would you hold my hand?
Say you understand my pain

Ooo I like you hangin' around
Cause you lift me up when I am upside down
Ooo you are like an angel when I hit my low
When your arms are around me
I don't wanna let you go

Lifting me up like an angel when I hit the ground
Feel your arms all around me when I'm feeling down
Lift me up like an angel when I hit my low
When your arms are around me
I don't wanna let you go

Its been a long hard road and its only just begun my friend
And this I know you helped me carry the load
Cause you're always down for

Lifting me up like an angel when I hit the ground
Feel your arms all around me when im feeling down
Lift me up like an angel when I hit my low
Well youre always around
Youre my favourite sound

Lift me up like an angel when I hit the ground
Feel your arms all around me when im feeling down
Lift me up like an angel when I hit my low
When your arms are around me
I don't wanna let you go

I don't wanna let you go
Cause you lift me up now
Well you're always around..
you're my favourite sound
Lift me up now
You lift me up
Lift me up now
Yeah youre always around
you're my favourite sound

Lift me up
Ohh...Yeah...
