

Darryl Worley, I Wanna Grow Old With You

Another day without your smile
another day has passed us by
and now I know how much it means
for you to stay right here with me
The time we spent apart will make our love grow stronger
but it hurts so bad I can't take it any longer

Chorus:

I wanna grow old with you
I wanna die lying in your arms
I wanna grow old with you
I wanna be looking in your eyes
I wanna be there for you sharing in everything you do
I wanna grow old with you
A thousand miles between us now
it causes me to wonder how
our love tonite remains so strong
it makes our realz right all along
the time we spent apart will make our love grow stronger
but it hurts so bad I can't take it any longer

Chorus:

I wanna grow old with you
I wanna die lying in your arms
I wanna grow old with you
I wanna be looking in your eyes
I wanna be there for you sharing in everything you do
I wanna grow old with you
Days can come and go
but baby I believe
somethings burning strong between us makes it clear to me

Chorus:

I wanna grow old with you
I wanna die lying in your arms
I wanna grow old with you
I wanna be looking in your eyes
I wanna be there for you sharing in everthing you do
I wanna grow old with you
I wanna grow old with you
