

Darryl Worley, Nothin' But A Love Thang

Lay down with me;
Let me ease your mind.
Don't start thinkin':
Baby, we ain't got time,
No we ain't got time.

Hold me, baby, right up till dawn.
Hello sunshine:
Doodle, do, de, ooh, do:
Listen to the birds sing.
Feels so right, there ain't nothin' wrong.
An' it's so damn easy:
Call it what you want to,
Nothin' but a love thing.

Rock me, baby:
Take me round the world.
I'm your man an',
I'm here to please you, girl:
I'm here to please you, little girl.

Hold me, baby, right up till dawn.
Hello sunshine:
Doodle, do, de, ooh, do:
Listen to the birds sing.
Feels so right, there ain't nothin' wrong.
An' it's so damn easy:
Call it what you want to,
Nothin' but a love thing.

Instrumental break.

This kind of thing comes from Heaven above.
An' I just can't get enough.
No, I can't get enough.

Hold me, baby, right up till dawn.
Hello sunshine:
Doodle, do, de, ooh, do:
Listen to the birds sing.
Feels so right, there ain't nothin' wrong.
An' it's so damn easy:
Call it what you want to,
Nothin' but a love thing.

Hold me, baby, (Hold me, baby.)
Right up till dawn. (Right up till dawn.)
Hello sunshine:
Doodle, do, de, ooh, do:
Listen to the birds sing.
Feels so right, (Feels so right.)
There ain't nothin' wrong. (Ain't nothin' wrong.)
An' it's so damn easy:
Call it what you want to,
Nothin' but a love thing, y'all.
