

# Darude, Next To You

I've been waiting for a boy like you  
I've been dying to get next to you  
I've been dancing all night through  
I've been trying to get next to you

To get next to you...x 3

I've been waiting for a boy like you  
I've been dying to get next to you  
I've been dancing all night through  
I've been trying to get next to you

To get next to you...x 4
