

Darude, Tear Apart

Learn to love the pain,
you feel i'm comin',
i'm comin' in your head,
i make you scream: "i want it";
i wanna hear you beg, beg, beg for mercy...
but i make it for you,
tell you're hurt bad,
but i'm back at your door,
i make you suffer,
that's the safest,
i know that's for sure,
i'm the judge, i'm the jury, this is my court yo give me nothing,
and now i'm like before, i Tear Apart,
wanna hear you beg, beg, beg for mercy...
i wanna hear you beg, beg, beg for mercy...
i wanna hear you beg, beg, beg for mercy...
i'm the judge, i'm the jury, this is my court yo give me nothing,
and now i'm like before, i Tear Apart...

i wanna hear you beg, beg, beg for mercy...
i wanna hear you beg, beg, beg for mercy...
i wanna hear you beg, beg, beg for mercy...
i'm the judge, i'm the jury, this is my court yo give me nothing,
and now i'm like before, i Tear Apart...
i wanna hear you beg, beg, beg for mercy...
i wanna hear you beg, beg, beg for mercy...
i wanna hear you beg, beg, beg for mercy...
i'm the judge, i'm the jury, this is my court yo give me nothing,
and now i'm like before, i Tear Apart...

i wanna hear you beg, beg, beg for mercy...
i wanna hear you beg, beg, beg for mercy...
i wanna hear you beg, beg, beg for mercy...
i'm the judge, i'm the jury, this is my court yo give me nothing,
and now i'm like before, i Tear Apart...
i wanna hear you beg, beg, beg for mercy...
i wanna hear you beg, beg, beg for mercy...
i wanna hear you beg, beg, beg for mercy...
i'm the judge, i'm the jury, this is my court yo give me nothing,
and now i'm like before, i Tear Apart...
