

# Darwin Hobbs, Come Let Us Sing / He Is Exalted

Come let us sing to the Lord  
Let us shout joyfully  
Come let us worship the Lord  
Let us shout joyfully  
He is exalted  
The king is exalted on high  
I will praise him, praise him  
He is exalted forever exalted  
And I will praise his name  
He is the Lord  
Forever his truth shall begin  
Heaven and earth  
Rejoice in his holy name  
He is exalted  
The king is exalted on high

Forever exalted on high  
Worthy is the lamp  
King of glory  
You're exalted  
The angels cry holy  
You're exalted  
Great I am mighty God  
You're exalted.
