

Darwin Hobbs, Come Let Us Sing / He Is Exalted

Come let us sing to the Lord
Let us shout joyfully
Come let us worship the Lord
Let us shout joyfully
He is exalted
The king is exalted on high
I will praise him, praise him
He is exalted forever exalted
And I will praise his name
He is the Lord
Forever his truth shall begin
Heaven and earth
Rejoice in his holy name
He is exalted
The king is exalted on high

Forever exalted on high
Worthy is the lamp
King of glory
You're exalted
The angels cry holy
You're exalted
Great I am mighty God
You're exalted.
