[Daryela:]

Listen with a stranger or with an angel  
I will just strike it, i'll more than like it (more than like it)  
Be out of question, its an obsession  
I'll keeping hidden, its so forbidden  
I'm supposed to feel alone hohooo  
(I lose control)

I'm just a sexy jung thing on a town and i'm ready to go  
(I loose control)  
I see the boys and the girls in the club and I'm dancin' alone  
(I lose control)  
when you're on the dancefloor  
and you givin' me more  
just let it go  
I see the boys and the girls in the club and I'm dancin' alone  
(I'm dancin nohoho)

[Daryela:]

Baby when i drop this, no way to stop this  
i try to fight it, but boy i like it, but boy i like it
