

Daryl Coley, Because He's God

Chorus:

He's got all power in His hands,
He can do what no other can.
He's making a way that I cannot see
because He's God.

Verse 1:

Causing the sun to shine through my darkest day,
forgiving my past, making the crooked straight,
ordering my footsteps to walk in His righteousness;
because He's God.

Verse 2:

Calling me righteous when I was still wrong,
transforming me through Christ Jesus, His Son.
He is the Great I Am and I'll give Him praise;
because He's God.

Chorus

Bridge:

He's God, oh.
He's God, oh, oh.
He's God,
He's God.

Alpha and Omega,
the first and the last,
the Everlasting Father,
beside Him there's no other.

Because He's God.

He's God, oh, oh.
He's God,
He's God.
