

# Daryl Coley, Because He's God

Chorus:

He&#039;s got all power in His hands,  
He can do what no other can.  
He&#039;s making a way that I cannot see  
because He&#039;s God.

Verse 1:

Causing the sun to shine through my darkest day,  
forgiving my past, making the crooked straight,  
ordering my footsteps to walk in His righteousness;  
because He&#039;s God.

Verse 2:

Calling me righteous when I was still wrong,  
transforming me through Christ Jesus, His Son.  
He is the Great I Am and I&#039;ll give Him praise;  
because He&#039;s God.
