

Daryl Coley, He's Preparing Me

Verse

(He is preparing),
(God is preparing me.)
He?s preparing me for something
I cannot handle right now, (oh, now);
He?s making me ready just because He cares.
(He?s providing me with what I need),
to carry out the next matter in my life.

Chorus

Preparing me,
He cares for me,
preparing me (for everything) that comes in life.

Vamp

He?s preparing me because He cares for me.
He?s maturing me because He cares for me.
He?s arranging me, rearranging me.
He?s preparing me because He cares for me.
He is raising me.
He?s maturing me.

Chorus
