

# Daryl Hall, Dreamtime

I saw you standing and I felt your rage  
Like a dark cloud on a crowded stage  
You were talking through the smoke in your fantasy  
I know you girl, I know what to believe

Maybe things ain't been so good at home  
And the people that you love never cared at all  
You want to run away, don't care where you go  
You want to run away, run away, that's all you know

Believe it's alright to fantasize  
And say the words you think will satisfy me  
But you know better than that  
'Cause you know what's a lie

You're living in dreamtime, baby (you want to run away)  
It's time to wake up, ooh  
You're living on dreamtime, baby (you want to run away)  
It's time to shape up

In your dream, it's overcast  
Rain comes down, moving your way fast  
You want to run away, don't care where you go  
You want to run away, run away, that's all you know

You turn a corner and you see a door  
Walk on through, throw yourself on the floor  
Oh, when you're looking up, it's no surprise  
Standing there is a man with movie star eyes

You think he's gonna take care of you  
The man with the plan that'll see you through  
And I say there ain't no way  
'Cause I know he's a lie

You're living in dreamtime, baby (you want to run away)  
It's time to wake up, ooh  
You're living on dreamtime, baby (you want to run away)  
It's time to shape up, shape up  
You're living on dreamtime (you want to run away)  
Whoa-whoa  
You're living on dreamtime, baby (you want to run away)  
Want to run away, want to run away

I know  
I say

You're living in dreamtime, baby (you want to run away)  
Shape up  
You're living on dreamtime, baby (you want to run away)  
It's time to wake up

I never saw anybody fall apart so fast  
You're living in dreamtime you know it ain't gonna last  
Never saw anybody think she's so right and be so wrong  
Living in dreamtime, it's hard to carry on, girl
