Daryl Hall, Foolish Pride

(Hall)

When I'm hurt then I come on strong I wanna break down
But I just keep it in
Being too strong is a weakness, girl
'Cause when you fight the world
You know who's gonna win
And you say I won't look you in the eye
It's like talking to a wall
But a wall can crumble down
Yeah there's something that's deep inside
That's gotta be tough
Whenever you're around

I've got this Foolish Pride And Pride goes before a fall Yeah I've got this Foolish Pride

You make me feel like the livin' end But the end came quick And made me wanna die So I played like I didn't care Didn't mess my hair Believe me I don't know why

I've got this Foolish Pride And Pride goes before a fall Yeah I've got this Foolish Pride

If I wanted I colled have fooled 'em all That's great 'til tomorrow when I'm all alone You know the truth comes out in the end When the fools start falling they need their friends
