

Daryl Hall & John Oates, Bebob & Drop

3 a.m.

I don't believe I hear the telephone ring

I wanna sleep

You wanna shake that thang

I wanna dream

You wanna dance all night

If I knew

If I knew you and better we could fight about it

You just wanna bebop but I just wanna drop

Don't call me

Because your boyfriend isn't home tonight

Don't pretend

Cause out of mind is only out of sight

It's much too late

Look and see how quick the candle burns

Go away

Go away and let my dreams return

You just wanna bebop but I just wanna drop
