

Daryl Hall & John Oates, Diddy Doo Wop (I Hear

Look at me, I'm running
Ooh, what have I done
Oh, I must have hurt someone
Dark in subway station
Gimme place to hide
Oh, I hear the voices deep inside
And the voice is singing

Diddy doo wop oh oh oh oh oh
Diddy doo wop
Well, it starts in my head and it ends when I stop
Keep singing diddy doo wop

Charlie liked the beatles
Sam, he liked rich girl
I'm still hung up on the duke of earl
Reaching for the handle
Slicing through the air
Oh, the doo wop voices everywhere
Oh, the duke is singing

Diddy doo wop oh oh oh oh oh
Diddy doo wop
Well, it starts in my head and it ends when I stop
Diddy doo wop
I hear the voices
