

# Daryl Hall & John Oates, Hard To Be In Love With

Lyrics: Daryl Hall John Oates

Music: Daryl Hall, John Oates, Neil Jason

Don't want to face it but I know that it's time to go home  
I cannot say what I want to say when we're alone  
I've got to leave but I want to stay  
Where you are is so far from the U.S. of A.  
When we're more than half a world away  
It's so hard to be in love with you  
Operator, International 011, oh  
Put your love on the line, put your ear to the phone  
Maybe it's no longer than a night and a day  
But where you are is so far from the U.S. of A.  
And it ain't so easy, easy on the heart  
It's so hard to be in love with you
