

Daryl Hall & John Oates, Hearbreak Time

I've got a feeling
My intuition's telling me so
Just a beginning
A seed you planted deep in my soul

And I never knew this love before
Didn't have a clue that there was more
So I'm gonna tell you how it's gonna be
Going down with me
Going up this street

(Chorus)
No matter what it takes
No matter what they say
I'm gonna use my Intuition
No matter how tough
I'm never givin' up
Gonna use my Intuition

This voice inside me
Is saying don't put fear in the way
Let your spirit guide me
Like a shining light that's calling my name

And I never knew a love so strong
Didn't have a clue where I belong
Now I'm like a kid in a candy store
Always wanting more
Coming back for sure
And you gotta believe

-Repeat -chorus-

I know we can make it
My Intuition tells me
Don't tell me no
Don't tell me no
Don't tell me no, baby
