

# Daryl Hall & John Oates, Italian Girls

Music and lyrics: Oates

I see I see I see all the monumental ruinization  
I see I see I see the greatest works of art in western civilization  
Ooh but where are  
Tell me where are  
Ooh but where are the Italian girls?

I drink I drink I drink too much vino rosso no more amarone  
I eat I eat I eat so much pasta basta I'm so full and yet so lonely

Ooh but where are  
Tell me where are  
Ooh but where are the Italian girls?

I see Sophia on the silver screena  
There must be more like her in Roma  
I believe I believe I believe in la donna Italiana bellissima  
I need, I need, I need some little dream come true please tell me where  
They're keeping ya  
Faccia bella cara mia  
Somebody tell me where are the Italian girls
