

# Daryl Hall & John Oates, Lady Rain

Chorus:

Can you see my past  
Can you find my future  
Should I take it slower 'til my life is over  
Oh Lady Rain... is it I'll be going down in pain?

Chorus:

Lady Rain, lay your sobbin' hair down on my shoulder  
Lady Rain, do your cloudy eyes see me much older?

All the days I've lost hoping and pretending  
that my days would flow smooth and slow toward their ending  
Oh Lady Rain... is it I'll be going down in pain?
