

Daryl Hall & John Oates, Make You Stay

I can walk all alone through a river of fire
Cause my heart is true
Put my soul on the line
That’s what I’d do
There’s a power in passion
That I can’t control
It’s a natural reaction
I can’t let it go

(chorus)
I’m a Man On A Mission to love you
I’m gonna make you mine
I’m a Man On A Mission
I can’t stop tryin’ now
I’m gonna make you mine

Where angels fear to fly
That’s where I go with my foolish pride
I got too close to the sun
I was the one looking for you

Feel the power in passion
When it’s takin’ control
It’s a natural reaction
And I can’t let it go

- Repeat chorus –

Can’t you see what you mean to me?
How much I need you
You know we owe each other honesty
So tell me what can I do
To get to you
